

Charles,

Per our conversation, this email will confirm that the Debtors will be revising the Claims Subject To Modification exhibit to the Third Omnibus Claims Objection Order to show that Russell Reynolds claim will be modified to \$77,708.66 rather than \$98,607.73, as stated in the original exhibit to the Objection.

Please let me know if you have further questions or concerns regarding this matter.

Regards,
Allison

Mike: I confirm that all payments have been received. Thank you. I need a favor. I received a motion to re-classify my client's general unsecured claim and my e-mail to Delphi@skadden.com about it has not been responded to. The objection seeks to re-classify the amount of RRA's claim to \$98,607.73. We believe that our claim only should be \$77,708.66. I need someone to contact me to stipulate to the correct reduced amount and resolve the objection. We have no interest in having our claim amount greater than what we really are owed. Thank you for your assistance.
Regards, ceb
